

ATLAS CONTAINER

WWW.ATLASCONTAINER.COM

Manufacturing Corrugated & *Designing Solutions since 1968*

Atlas Container is your destination for top-quality packaging products and services designed to meet all your shipping, storage, and logistical needs.

Atlas can provide everything you need from stock shipping boxes to high-end graphic point of purchase displays. We deliver with our own trucks and run our own manufacturing equipment out of our facility in Severn, MD.

All of our corrugated products are fabricated in-house, resulting in better quality, faster turnaround, and the peace of mind that you are buying directly from the source.

- Contract Packaging & Assembly

Industrial Packaging

Atlas Container is your trusted partner for industrial packaging solutions tailored to meet the unique needs of manufacturing and industrial sectors.

With our expertise, innovation, and commitment to excellence, we provide comprehensive packaging solutions that maximize efficiency, protect your products, and optimize your supply chain.

See What Our Customers Are Saying:

"Atlas Container consistently provided us with exceptional customer service and years of professional expertise. They created boxes tailored to our exact needs, at very competitive prices. We are extremely pleased with their products and their quality of service"

-Country Food LLC, Lancaster PA

"Atlas Container has long been a supplier of boxes for Pete Pappas & Sons and they continue to learn our business and earn our business to this day!"

-Pete Pappas, Jessup MD

"I craft croquet mallets from the most lovely wood I can find...Atlas came up with a wonderfully creative solution that not only cradled my mallets, but reflected the respect I have for them...These boxes change my customers' entire value perception as they open the box and enjoy first impressions. Thank you so much, Atlas, for adding such an important element to the mallets I work so hard at making."

-Maine Mallets, Vinalhaven ME
